Over £9,000 raised for Kidney Care UK in memory of Sukbhir Bassra.

Around 30 Friends and Family of the late Sukbhir Bassra took part in the *25km Thames Bridges trek* to raise money for Kidney Car UK on 7 September. Sukbhir Bassra (known to everyone as Baz) died in November last year.

Baz's daughter Sharen and his son Amarveer had hoped to raise £4000 but the response has been incredible and the total of donations is now over £9000.
